Dr. Guenther Ruhe
Department of Computer Science
Faculty of Science

Dear Dr. Ruhe (Guenther),

It is my pleasure to congratulate you on being recognized as the recipient of the 2020 Faculty of Science, Awards of Excellence Innovation – Established Career Award. This honour celebrates your commitment to demonstrating notable innovation. Your research work in the area of software engineering decision support has aided industry in being able to make more informed, better business decisions, and our faculty is proud to recognize your positive impact.

Beyond individual leadership, excellence in innovation demonstrates your sustained impact on intellectual activity that leads to extraordinary impact beyond the university community. You are part of an incredible network of leaders who connect and advance our impact as one university family. In lieu of being able to gather to celebrate this honour at our annual Awards of Excellence event, I would like to invite you to visit a special web page created just for our 2020 Awards of Excellence recipients! The link will be shared in a separate email, as soon as the site is live.

The University of Calgary is seen as an educational, social, economic and cultural leader in our community – this is because of champions of science like you. Thank you for your contributions to our faculty and the university family as a whole, and once again - Congratulations!

Sincerely,

Bernhard Mayer, PhD
Interim Dean, Faculty of Science

cc: Steve Vamosi, Associate Dean, Equity, Diversity & Inclusion
Christian Jacob, Department Head, Computer Science
